Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for filany years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of this Bitters, at the beginning of the present year, was followed by evident relief and restoration to relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

Philadelphia, August 23, 1862. Messes Jones & Frans: - Well, gentlemen, your Hoofland's German Bitters has saved my There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names are appended, and who were fully cognizant of all the circumstances of my case. I am, and have been for the last four years, a member of Sherman's celebrated bat. tery, and under the immediate command of Captain R. B. Ayers. Through the exposure attendant upon my ardnous duties. I was attacked in November last with inflamation of the lungs, and was for seventy two days in the hospital. This was followed by great debility, heightened by an attack of dysentery. I was then removed from the White House. and sent to this city on board the Steaver "State of Main," from which I landed on the 28th of June. Since that time I have been about as low as any one could be and still reabout as low as any one count be made some tain a spark of vitality. For a week or more I was scarcely able to swollow anything, and if I did force a morsel down, it was immediately thrown up again. I could not even keep a glass of water on my stomach. Life could not last under these circumstances; and, accordingly, the physicians who had been work-ing faithfully, though unsuccessfully, to reseas me from the grasp of the dread Archer, frank-ly told me they could do no more for me, and adviced me to see a clergyman, and to make such disposition of my finited funds as beat suited me. An acquaintance who visited me at the hospital, Mr. Frederick Stenborn of Sixth below Arch street, advised me, as a for-lorn home, to try your litters, and kindly procordingly, the physicians who had been worklorn hope, to try your Bitters, and kind cured a bottle. From the time I come taking them the glossay shadow of death re-ceeded, and I am now, thank God for it, gen-ting better. Though I have taken but two ting better. Though I have taken but two-bottles. I have gained ten pounds, and feel sauguine of being permitted to rejoin my wife and daughter, from whom I have heard nothing for eighteen months; for, gentlemen I am a loyal Virginian, from the vicinity of Front Royal. To your invaluable Bitters I owe the git rious privilege of angle observed. gle rious privilege of again chasping to my bo-son those who are dearest to me in life;

Very truly yours, ISAAC MALONE Very truly yours, ISAAC MALONE, We fully concur in the truth of the above statement, as we had despared of seeing our comrade, Mr. Malone, restored to leadth.
